BST:     

DS:  

Ogni articolo è composto da: Bollitore vetrificato, serie BST; vaso di espansione per impianti solari, serie DS;
Gruppo di circolazione per impianti solari; staffa. I componenti vengono forniti separatamente, non assemblati.

Each item consists of: glasslined Hot water cylinder BST series; expansion vessel for solar systems, DS series;
Circulation unit for solar installations; bracket. All components are supplied separately, not pre-assembled.
